MADE-TO-ORDER VANITY *tops*

CREATE A CUSTOM LOOK
WITH YOUR EXISTING CABINETS.

Give your bathroom a refresh with a vanity top makeover. New vanity tops add beauty and durability to the functional spaces we use daily without replacing your cabinets, modifying flooring, or costly plumbing changes. Whether redesigning a personal bath or remodeling a multi-unit living space, you can easily transform your existing cabinets at GENROSE Stone and Tile. Each vanity top includes options like under-mount sinks, edge profiles, and more!

Ready to be inspired and design your personalized vanity
in three simple steps?

LET'S GET *started!*

*PRICING WILL VARY DEPENDING ON THE VANITY TOP SIZE. All vanity top choices are subject to availability at the time of order. Selections are based on the use of remnants first. If a selection is unavailable, or the item is out of stock, customers must wait for the next shipment—no exceptions. Selections may change at GENROSE Stone and Tile's discretion, and program colors can vary based on availability. For the most current product availability, please check our website.

REVISED 4/10/2025

1 Select a SURFACE

Natural STONE

Natural stones like granite, marble, and limestone are excellent choices for vanity countertops because of their timeless beauty, durability, and unique patterns. These materials not only enhance the elegance of a space but also provide long-lasting performance, making them a popular choice for those seeking a blend of luxury and practicality.

Porcelain 12mm SLABS

Porcelain slabs, known for their light weight and durability, can be utilized for a wide range of applications including flooring, walls, countertops, showers, backsplashes, and even fireplaces. Porcelain slabs are also a cost-effective option for new installations. Their effortless maintenance, and resistance to stains and germs, make porcelain slabs an optimal surface for vanity tops.

2 Choose a SINK

One under-mount sink cutout is included with your vanity top - choose one of our stock oval or rectangular sinks in porcelain white or biscuit. If you already have a top-mount sink, we will gladly cut your vanity top according to the sink or manufacturer's template at no additional cost.

INCLUDED:

- Faucet holes (1 3/8" diameter)*
- Pins for sink attachment
- Sink attachment prior to pick-up at no additional cost

ADD-ONS: Second under-mount sink and cutout - additional fees apply. Please ask for details.

2 - CHOOSE A SINK
SMALL RECTANGLE | White

EXPLORE
VANITY SINKS

Vanity SINKS

Our under-mount vanity sinks create a flushed and flawless look allowing more space on your countertop. Made with non-porous vitreous china, the high gloss enamel coating is more durable than regular porcelain sinks and resists spills, scratches, and other imperfections.

UNDER-MOUNT PORCELAIN VANITY SINKS

SMALL OVAL - 1512
Available in: Biscuit and White
Approximate Size:
Overall: 15" x 12"
Bowl Depth: 6"

STANDARD OVAL - 1714
Available in: Biscuit and White
Approximate Size:
Overall: 17" x 14"
Bowl Depth: 6 1/2"

SMALL RECTANGLE - 1611
Available in: White Only
Approximate Size:
Overall: 16" x 11"
Bowl Depth: 5 1/2"

RECTANGLE - 1912
Available in: Biscuit and White
Approximate Size:
Overall: 18" x 12"
Bowl Depth: 6 1/2"

NOTE: Sizes are approximate based on exact model number, models may vary.

Top-mount sinks are not available for purchase. If no sink is needed the price remains the same.
*Hole number and spread must be specified.

3 Pick an EDGE

The edge is the finishing touch on your vanity top! Standard edge options are available for three sides or less, with up to three splashes.

3 - PICK AN EDGE
1 1/2" MITERED APRON
