Introducing MAXIMUS SLABS

The Maximus porcelain slab collection embodies luxury and versatility in its stunning array of options. The 12mm color body porcelain slabs can be fabricated and bookmatched to create beautifully uniform designs and seamless integration. With its distinct quality and refined appearance, the Maximus collection is suitable for various uses, including countertops, walls, facades, tables, and even fireplaces. Whether for commercial or residential projects, the Maximus porcelain slabs offer durability, low-maintenance care, and enduring aesthetics to match any decor style. This collection takes high-end interior design to new heights.
